Overview

This document outlines the Aether Rewards loyalty program, which rewards customers for their ongoing business with Aether Wireless. The program provides points for purchases, referrals, and engagement activities, which can be redeemed for credits, devices, and exclusive experiences. Membership is structured in tiers with escalating benefits, and points are earned based on spending and participation in program activities.

Membership Tiers

Aether Rewards members progress through four membership tiers based on points earned within a 12-month rolling period. Higher tiers unlock enhanced earning rates and exclusive benefits.

Tier	Points Required	Points Multiplier	Benefits
Silver	Auto-enrolled (0 pts)	1x	Base earning rate on all qualifying purchases
Gold	5,000 pts	1.5x	Priority customer support, early access to sales and promotions
Platinum	15,000 pts	2x	One free device upgrade per year, dedicated concierge support
Diamond	30,000 pts	2.5x	Invitation to exclusive events, annual branded gift

Tier status is recalculated annually based on the 12-month rolling total of points earned. Members who move to a higher tier enjoy immediate access to all associated benefits. If points fall below a tier threshold at the annual review, members revert to the appropriate tier.

Earning Points

Members earn points for various transactions and engagement activities. Points are calculated on net spending after returns and discounts.

Activity	Points Earned
Monthly service (per \$1 spent)	1 pt
Device purchase (per \$1 spent)	2 pts
Accessories (per \$1 spent)	1 pt
Successful referral (per new customer)	500 pts
On-time payment for 12 consecutive months	200 pts
Autopay enrollment	100 pts (one-time)
Customer survey completion	50 pts
Birthday reward	200 pts

Points are credited to the member's account within 5-7 business days of qualifying activity. Bonus points from tier multipliers are applied automatically at the time of earning.

Redeeming Points

Points may be redeemed for a variety of rewards. All redemptions are applied as credits to the member's Aether Wireless account or as in-store benefits.

Points Required	Reward
500	\$5 account credit
1,000	\$10 account credit
2,500	Free accessory (up to \$50 value)
5,000	\$100 device credit
7,500	Free month of service
10,000	Access to exclusive member events
15,000	Device upgrade discount (up to \$500 value)

Redemption requests must exceed the minimum point threshold listed above. Partial point redemptions are not permitted. Credits are applied to the next billing cycle. Device credits and upgrade discounts apply to regularly priced devices only and cannot be combined with other promotional device offers.

Point Expiration

Points expire after 24 months of account inactivity. Account activity includes any qualifying purchase, point redemption, or earning activity.

Expiration Notifications

- **60 days prior:** First expiration reminder sent via email and SMS
- **30 days prior:** Final expiration reminder sent via email and SMS

Members are responsible for maintaining valid contact information to receive expiration notifications. Expired points are deducted automatically and cannot be reinstated.

Tier Reset and Maintenance

Tier status is evaluated annually using a 12-month rolling lookback period. At each annual review:

- Points earned in the preceding 12 months are totaled
- The member is placed in the tier corresponding to their point total
- Any points used for redemption do not reduce the tier qualifying total
- Unused points carry forward and continue to count toward tier maintenance

Members who exceed a tier threshold during the year may qualify for immediate tier advancement. Tier downgrades occur only at the annual review, provided the member's rolling 12-month point total falls below the threshold.

Terms and Conditions

- **No cash value:** Aether Rewards points have no cash value and cannot be exchanged for cash, check, or credit outside the program.
- **Non-transferable:** Points, rewards, and tier benefits are linked to the individual account and may not be transferred, sold, or assigned to another customer.
- **Program modification:** Aether Wireless reserves the right to modify, suspend, or terminate the program at any time with 30 days' written notice. Benefits, earning rates, and redemption options are subject to change.
- **Fraud suspension:** Any suspected fraud, abuse, or manipulation of the program may result in immediate suspension of the account, forfeiture of points, and termination of membership.
- **Eligibility:** Must be 18 years or older and maintain an active Aether Wireless account in good standing to earn and redeem points.

FAQs

Q: How do I check my current points balance and tier status?

A: Log in to your Aether Wireless account online or use the mobile app. Your points balance and tier status are displayed on the dashboard under the "Aether Rewards" section. You can also call customer care for current balance information.

Q: Can I combine points from multiple Aether Wireless accounts?

A: No. Points cannot be combined, transferred, or merged between accounts. Each account's points remain separate and are non-transferable.

Q: What happens if I return a purchase that earned points?

A: Points earned from a returned purchase will be deducted from your account. If the points have already been redeemed, a deduction will be applied to your balance.

Q: Do points expire if I remain an active customer?

A: Points expire after 24 months of account inactivity, regardless of tier status. Regular account activity—such as paying your bill, making purchases, or redeeming rewards—resets the expiration clock.

Q: Can I earn points on promotional or discounted items?

A: Yes, points are earned on the net amount paid after any discounts or promotions are applied. Points are not earned on taxes, fees, or shipping charges.

Q: How do I upgrade my tier mid-year?

A: Tier upgrades happen automatically when your rolling 12-month point total reaches the next tier threshold. You will receive a notification confirming your new tier status and benefits.

For questions about Aether Rewards, visit any retail location, call 1-800-AETHER, or chat with us online at aetherwireless.com/rewards.
